ACO InDoor

Flush fitting internal matwell

Building on the success of ACO DrainMat, ACO InDoor is a range of high quality, low profile matwells for interior use.

ACO InDoor is anchored using a tough, corrosion resistant aluminium frame. A fitted height of 12mm allows fitting directly onto the floor, flush with your choice of floor coverings.

Two hard wearing and attractive mat finishes are available, with light grey or anthracite carpet on a robust aluminium base.

ACO InDoor is available in two sizes, 600x400mm and 750x500mm, for installation with most popular tile sizes.

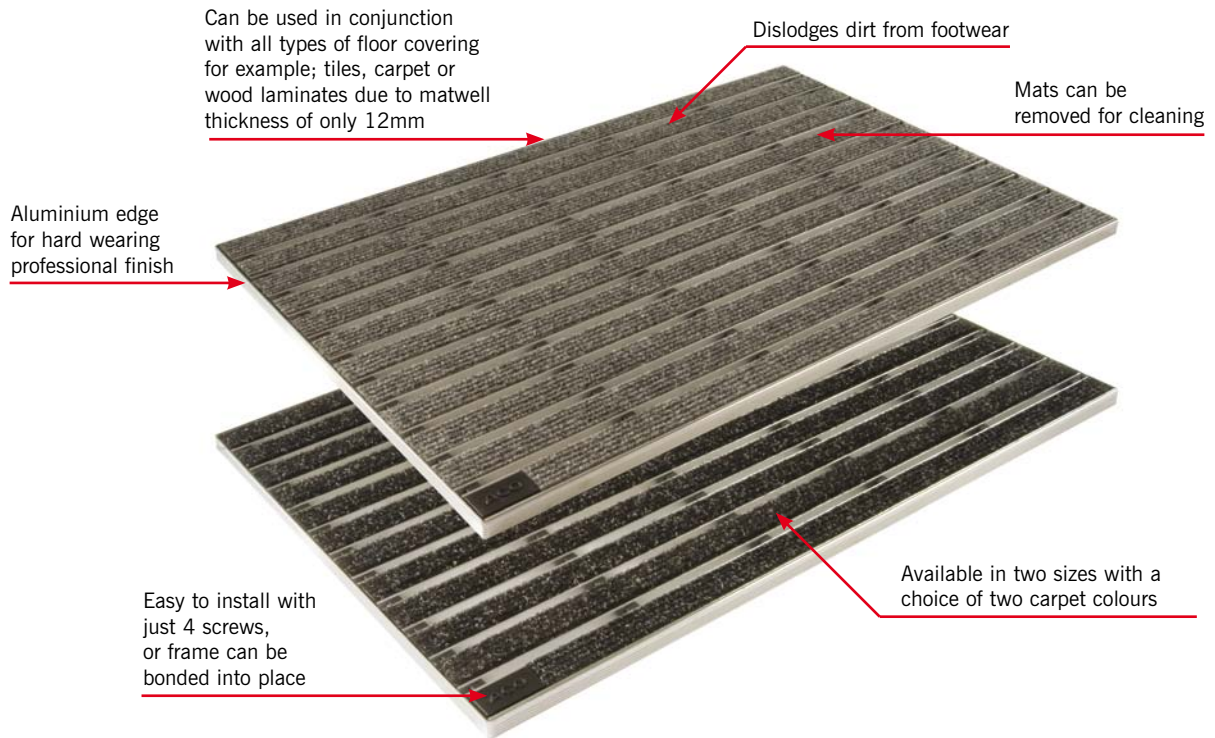

Typical applications

- ▶ Residential developments
- ▶ Threshold drainage
