

# Certificate

## Indoor Air Comfort

Ecophon Focus

Certified Product

Saint-Gobain Ecophon AB

Applicant

The product complies with Indoor Air Comfort requirements, version 7.0 (2020). These include both inspections of factory production according to DIN 18200 and VOC testing according to EN 16516 and the ISO 16000 series, each in the latest versions, by an ISO 17025 accredited laboratory, at regular interval.

Indoor Air Comfort certification ensures that product emission requirements are fulfilled and it is a sign of the applicant's focus on quality and contribution to a healthy indoor environment.

Compliance with Indoor Air Comfort means compliance with VOC requirements on low emitting products of:

- France (VOC Label)
- Germany (AgBB/ABG)
- Belgium (royal decree)

Details are defined in Indoor Air Comfort requirements, version 7.0 (2020).

Certificate No.: IAC-400-11-14-2020

Date: 12 November 2020

Validity of certificate: 12 November 2025, with frequent surveillance and retesting

A handwritten signature in black ink, appearing to read "T. Neuhaus".
