

The most fun you
can possibly have in
your lunch break!

This is one of the most **fun** and **immersive** CPDs you will find as Gartec bring a **virtual reality lift experience** to your offices, anywhere in the UK.

Our **RIBA Certified Interactive CPD (iCPD)** offers architects an in-depth working knowledge of platform lifts and how to specify them, and aims to deliver sufficient information to enable the attendee to have expert knowledge in this niche area. It covers: what is a platform lift, regulations and responsibilities, common applications and platform lift uses and benefits.

Delivered using **GartecVR** – next generation **virtual reality** technology, this is one of the most **fun** and **immersive**

CPDs you will find as Gartec bring a virtual reality lift experience to **your offices**, anywhere in the UK.

GartecVR is an exceptional demonstration tool giving attendees a deeper understanding and appreciation of the potential and versatility that platform lifts can provide.

This is a RIBA Core Curriculum CPD.

Approximate duration excluding time for questions/ answers: 45 minutes.
