

# COMPOSITE DOORS

Homeowner

HOMEFRAME

# Welcome to **HOMEFRAME**

Our collection of GRP composite doors offer stylish good looks and high levels of security, to give you the best of both worlds. Browse through our brochure and choose the door style, colour, glass design and furniture to complement your home. From traditional terraced houses through to modern developments – we have a style to suit all.

## You're in Safe Hands

HomeFrame is the GRP composite door brand of GAP, who are one of the largest manufacturers in the industry of maintenance free building products. We have been manufacturing and supplying high quality residential doors for over 30 years, so you can rest assured you're in safe hands and that our doors stand the test of time.

With a wide collection of traditional and contemporary doors, **HomeFrame composite doors** will help you add kerb appeal to your home.

# LOW MAINTENANCE

The HomeFrame collection of GRP composite doors feature a remarkable insulating polyurethane foam core, which is protected by a secure Glass Reinforced Plastic (GRP) outer skin. This intelligent design makes our doors resistant to weathering and virtually maintenance-free, so your door will look its best for many enjoyable years to come.

# THERMALLY EFFICIENT

Choosing a thermally efficient door is important, especially if you are upgrading from an older PVC or timber door. The benefits of a warm and cosy door will make a big difference to your home. When choosing a HomeFrame composite door, you will benefit from a thermally efficient frame, insulated core and energy efficient glass.

# HIGH SECURITY

A wide range of security features including a multipoint lock and 3-star cylinder, ensure HomeFrame composite doors protect you and your loved ones from intruders.

## 5 Point Lock

Each door features a 5 point locking system that secures the door sash to the reinforced outerframe.

## 3 Star Cylinder

These locking cylinders\* are the best available. They feature anti bump, anti snap, anti drill technology and have a sacrificial front face to deter thieves.

## Steel Frame

Our PVC-U outerframe is internally reinforced with steel. This ensures the locking devices that engage into it from the door sash are very secure.

## Weather Performance

GRP is a material used to make boats, so rest assured the surface finish of your door will protect you and your family from the elements.

# ROME 2

The Rome 2 is perhaps the nation's favourite door style, which looks just as good on front doors as it does on back doors.

**BEAUMONT**

# ATHENS

The Athens is a popular family of doors split between a solid option (Athens), a two panel glass option (Athens 2) and a 4 panel glass option (Athens 4), so you can choose the perfect style.

# ATHENS 2

Perfect for homes on busy roads where privacy is needed, yet still allowing light through.

# ATHENS 4

A stylish yet traditional looking door that lets light flood in.

# GLASS OPTIONS EXPLAINED

Privacy is important, so we have created the guide below to help you choose the glass design that will meet your requirements.

Satin

## PRIVACY LEVEL 5

These designs are perfect where total privacy is required, but light is still desired.

Designs & Patterns:

**Satin | Pinpoint**

Horizon

## PRIVACY LEVEL 4

High levels of privacy are offered with these stunning glass designs.

Designs & Patterns:

**Modena | Matrix | Horizon | Abstract | Classic  
Zinc Star | Linear | Kensington | Cathedral**

Reflections

## PRIVACY LEVEL 3

Triple glazed designs are common in this range and feature glass textures such as clear, gluechip and etched glass.

Designs & Patterns:

**Elegance | Reflections | Simplicity | Finesse | Flair**

Beaumont

## PRIVACY LEVEL 2

Soft rippled glass designs and coloured films are common in this privacy rating.

Designs & Patterns:

**Beaumont | Dorchester | Habitat | Clover**

Clear

## PRIVACY LEVEL 1

You can't get any clearer than clear glass. Perfect with back doors for seeing into your garden, or for front door side panels.

Designs & Patterns:

**Clear Glass**

# THRESHOLD OPTIONS

## RECOMMENDED OPTION

### FULL THRESHOLD 72MM

A full threshold offers maximum thermal performance.

### SLIM THRESHOLD 52MM

This option provides the best of both worlds for thermal performance and practicality.

### LOW ALUMINIUM 15MM

A low aluminium threshold provides easy access for prams and wheelchairs.

# BACKING GLASS OPTIONS

The following backing glass options are available across all our door styles, so you can choose any of our door styles with any of the glass options listed below.

Cathedral is perfect for traditional door styles, Rain represents cascading water, Pinpoint showcases a stipple effect and Satin (also known as misted or etched) is a sandblasted finish.

CATHEDRAL

PINPOINT

RAIN

SATIN

Please note, the above options can't be used in conjunction with a glass design.

# DOOR COLOURS

HomeFrame composite doors are available in 8 colours that enable you to create the perfect entrance. These range from contemporary colours such as Grey and Black, through to Duck Egg Blue and Chartwell Green. White doors also look stunning in all designs.

Each colour features a realistic timber grain to create the appearance of a timber door, but with none of the associated problems.

**Black** RAL 9005

**Blue** RAL 5011

**Chartwell Green** RAL 6021

**Duck Egg Blue**

**Green** RAL 6009

**Grey** RAL 7016

**Red** RAL 3011

**White** RAL 9016

# FRAME COLOURS

We offer the following popular external PVC-U frame colours of Grey and White.

**Grey**

**White**

1200mm

## UNPARALLELED EXPERIENCE

HomeFrame is brand of GAP who having been manufacturing residential entrance doors for 30 years, so what we don't know about doors isn't worth knowing. Over 2 million doors have been manufactured keeping homeowners safe and secure.

When choosing a HomeFrame composite door, you are not only choosing a stylish and secure solution for your home, but you are choosing to buy from a company that has outlasted its guarantee period many times over. Therefore you can sit back, relax and enjoy the transformation a new entrance door can provide.

## OUR GUARANTEE

Every HomeFrame composite door is carefully manufactured and built to last. It is for this reason we are pleased to offer an installer backed 10 year guarantee on all doors produced. Terms and conditions apply.
