

Bailey Streetscene offers a fantastic range of shelters including, cycle shelters, buggy shelters, walkways, bus shelters, and smoking shelters.

As well as this range of shelters, we also offer a bespoke design service, allowing our clients to create one-off unique shelters to suit particular project specifications. Our clients can choose a shelter that compliments the landscape and architecture of the surrounding area. We have a wide range of shelters to suit all budgets and we can even deliver in 48 hours on selected lines.
