Colour selector

Helping you create a stylish, co-ordinated washroom.

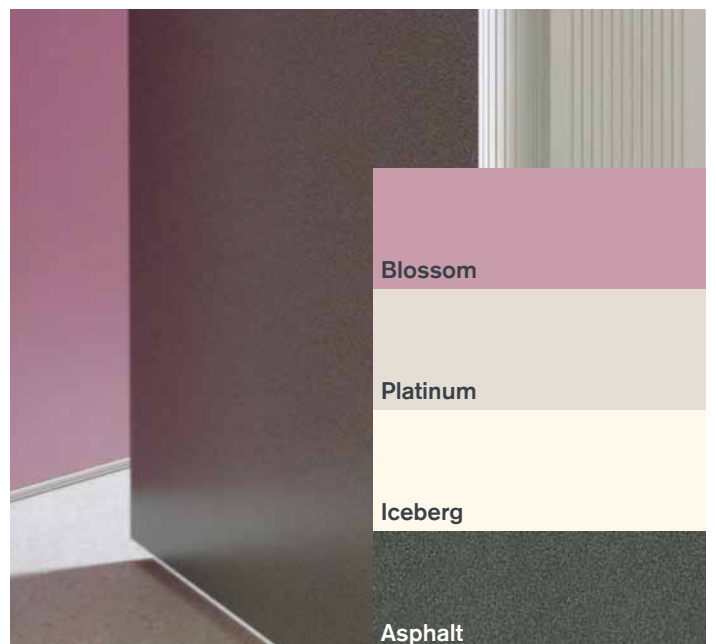

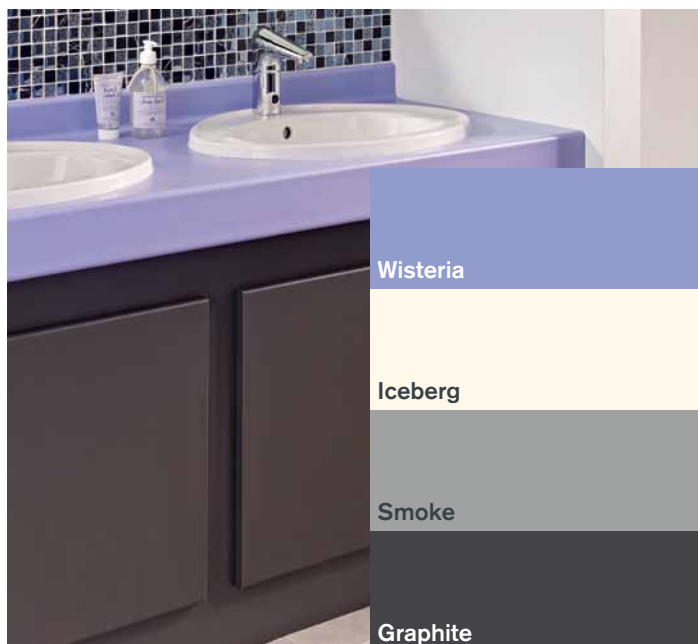

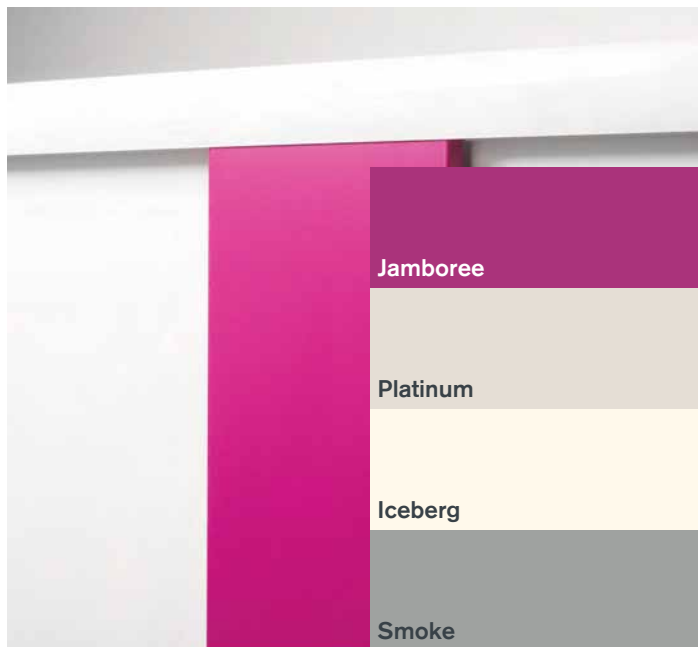

Accent colour

Used sparingly, accent colours are a great way to create contrast or add extra depth to your overall colour scheme.

A little bit of differentiation goes a long way in any washroom environment. The examples below show the effect you can create with one carefully chosen accent colour.

(Please consult our swatch samples for an accurate colour reference)

Colour harmonising

Choose complementary colours for a stunning look that's dramatic without being overpowering.

Harmonising colours is an effective way of making a lasting impact. Ask our friendly sales team and they'll help you choose the optimum colour matches for your scheme.

(Please consult our swatch samples for an accurate colour reference)

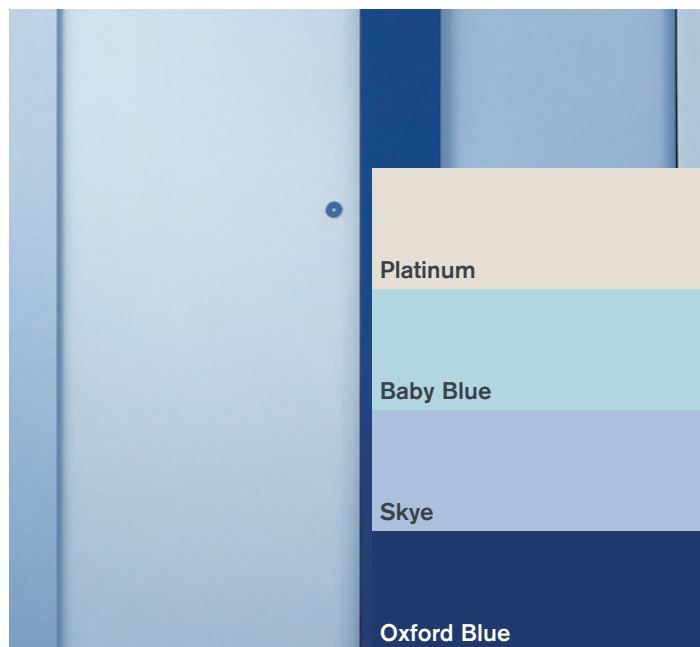

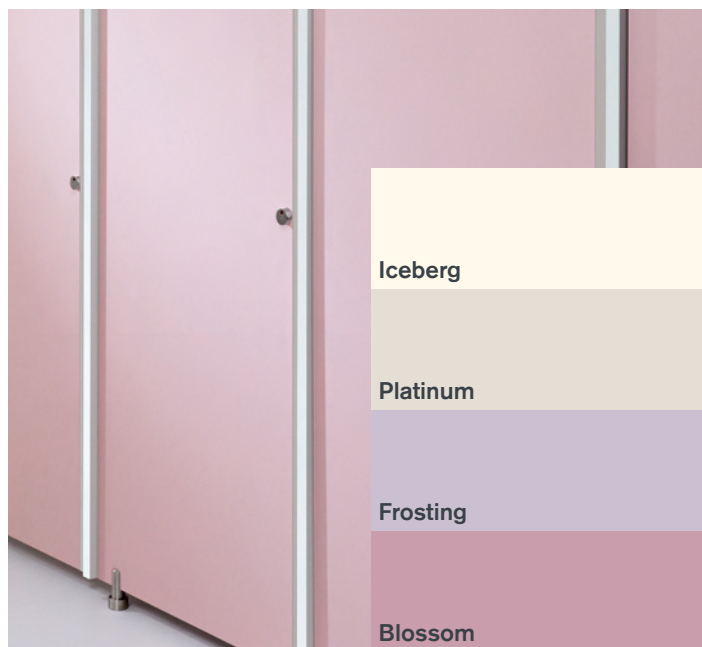

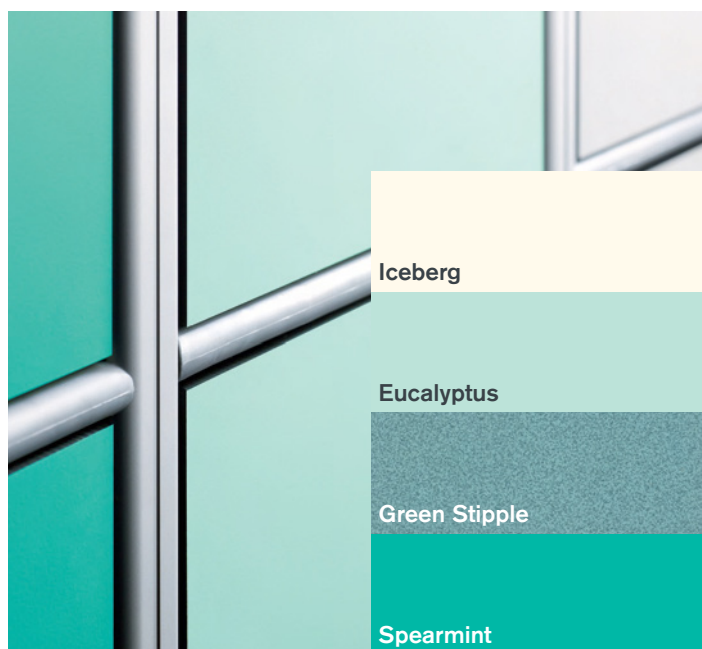

Tonal colour

Select varying shades of the same colour and you'll produce a balanced, co-ordinated finish.

A blend of tonal colours makes a subtle statement. It's a great way to go when you're looking for a more understated aesthetic.

(Please consult our swatch samples for an accurate colour reference)

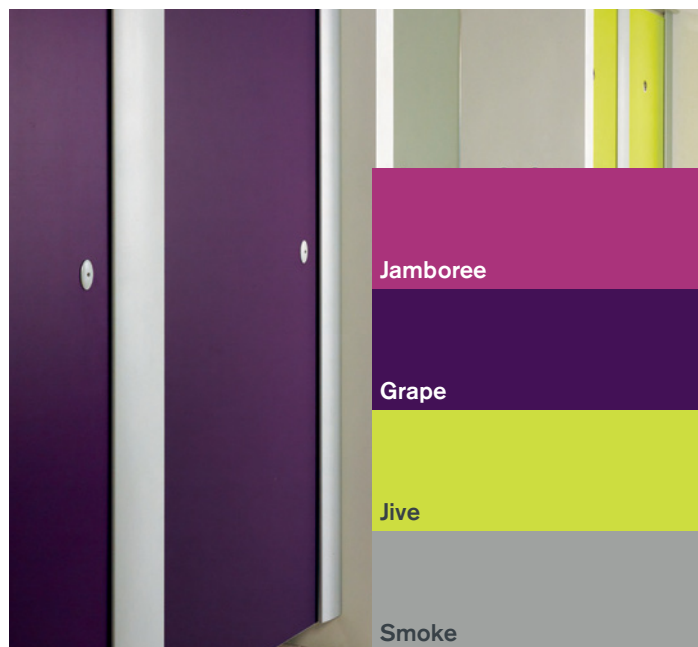

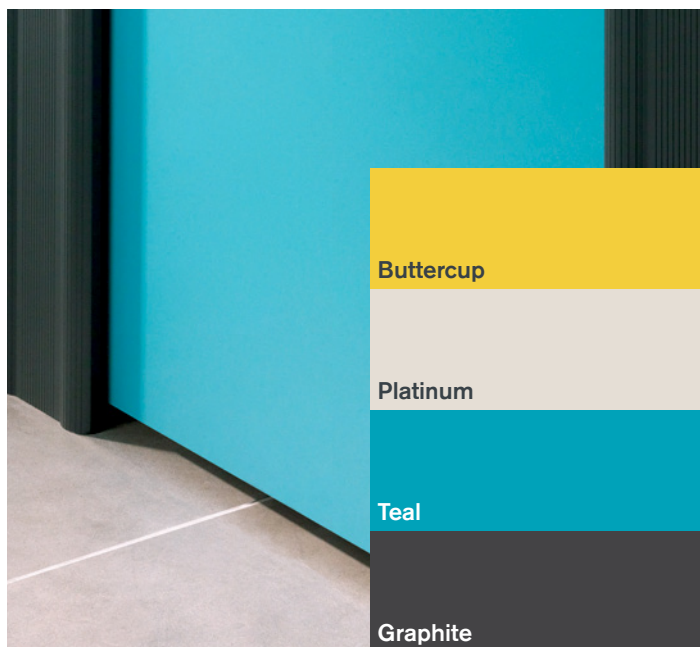

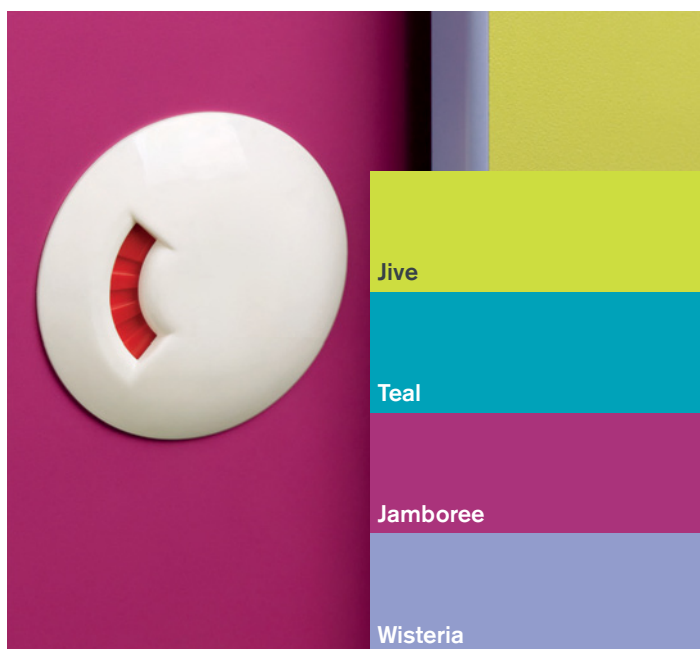

Contrasting colour

If you're opting for a really dramatic effect, choose contrasting colours.

These bold, bright colours are guaranteed to impress. From bright orange to lime green, if you want to make a big statement, this is the way to do it.

(Please consult our swatch samples for an accurate colour reference)

Screen prints 2-11 years

Available in HPL only. Fun and colourful screen print designs delight young minds and create a washroom that children will enjoy using.

Monsters

VEN300

Screen prints 11+ years
Available in SGL only. These vibrant designs encourage respect and discourage vandalism – the perfect solution for secondary and further education environments.

Panel colours

We have a range of inspiring colours from neutrals to vibrant and impactful.

Panel and vanity colours (MFC, HPL and SGL)

All plain colours and wood effects are available with matching or contrasting PVC lipping. When specifying SGL no lipping is required, as all edges are radiused and polished black.

For your convenience, Luminescence Reflective Values (LRV)* have been provided to help you ensure compliance with Building Regulations part M and Equality Act 2010.

* It is recommended that there should be a 30.0 difference between adjacent surfaces, for example between the door and pilaster.

[†] Directional designs have cost implications. Please consult our sales team on 01474 353333 for further information.

ColourCoat

ColourCoat is our range of contemporary spray painted colours. Doors and pilasters are sprayed with one coat of primer and finished with pigmented polyurethane lacquer.

Note: for V3 products any colour from the RAL Colour chart can be chosen.

Screen prints

Colours, Cars, Monsters, Circles and Fish

Available in HPL only. These screen print designs can be applied to the front of cubicle doors only. Door rears match your chosen partition colour.

Pop Art, Fizz and Abstract

Available in SGL only. These designs are printed both sides and can be used on either doors or pilasters. You choose.

Helping you choose colour

Panel colours
ColourCoat
Screen prints
Real wood veneers*
Granite
Quartz
Solid Surface
Cubicle hardware

It's as easy as 1 2 3

Follow these simple steps to choose your perfect colour.

1

Choose a range.

Your first step is to choose your product from our extensive range.

2

Colour options.

Using the chart opposite, select a panel colour that's available for your product choice.

3

Cubicle hardware.

Now you've chosen your colour, you can select a finish for your hardware.

* For real wood veneer choices see left hand booklet

Granite, Quartz and Solid Surface vanity surfaces

Our inspirational vanity surfaces are the ideal complement to your washroom.

Granite

For prestigious washroom environments that require exclusivity.

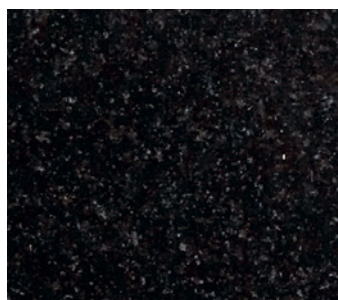

The very nature of granite depicts individuality – each vanity surface will vary in colour and vein which reflects the beauty of natural stone.

Choose Blue Pearl for a dramatic effect or Ivory Pink to create a calm, sophisticated ambiance.

Star Galaxy VEN164

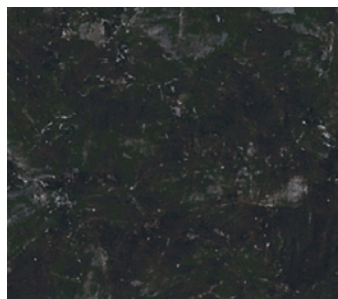

African Black VEN163

Rosso Multicolour VEN168

Emerald Pearl VEN165

Giallo Veneziano VEN167

Blue Pearl VEN166

Ivory Pink VEN169

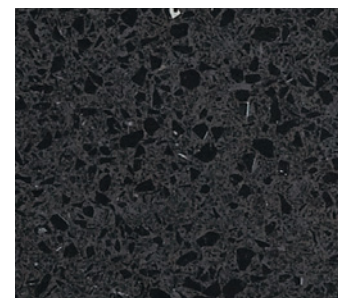

Quartz

A contemporary vanity surface combining the stunning visual impact of natural quartz with a resin composite for maximum durability. To create an architectural, engineered appearance choose from a selection of natural tones with a textured, matt finish.

Alternatively, to add dimension, choose from a palette of highly polished stone effects.

Astro Black VEN170

Pale Sand VEN171

Steel VEN172

Porcini VEN306

Misty White VEN307

Earth* VEN177

Grey* VEN175

Pebble Grey* VEN176

*Pebble Grey, Grey and Earth have a matt finish.

Solid Surface

A proven blend of minerals and acrylic polymer delivering a stone appearance that ensures colour consistency and durability, while adding a touch of luxury to any washroom installation.
