

**Kermi are delighted to announce the addition of three new sales winning products to its' already comprehensive shower enclosure product range.**

These innovative new products offer additional choice to both designers and consumers adding that extra touch of flair to any bathroom design.

**Filia XP - ...Minimalist design for modern showering comfort**

- Trendsetting clear glass design with integrated wall profiles
- A wide range of models suitable for installation on a tiled floor or most shower trays due to an intelligent adjustment system
- High quality hinges – hinged doors with rise and fall mechanism

**RAYA - ... A quality product at a realistic price point**

- Clear, linear design
- High quality safety glass
- Ergonomic handle design
- Excellent price/quality ratio

**Walk-In Basic - ...The slim design solution**

- A comfortable Walk-In solution, even for smaller bathrooms
- Available in a range of standard models, or made to measure solutions
- Manufactured from 8mm, single panel safety glass
- Available with KermiClean coating

Kermi have been designing innovative products for more than 50 years, winning countless design awards and establishing the company as one of the leading manufacturers in Europe with an enviable reputation for quality, design and engineering excellence.
